Elizabeth –

I appreciate your offer; however, I didn't see it until I had already replied to Kim that this FOIA should come to my office. Jeannie is going to take care of it in Carter's absence. Mindy Vogel at Forest Service confirmed this morning that Forest Service is going to post all of the comments on the PAFEIS on their website later this week. She will send me an email with info about where it will be posted, so Jeannie is going to call Dinah Bear to ask if she can wait a few days until the comments are posted. If not, we can easily send her a copy.

Thanks –

-Kathy

Hi Kathy

I understand Carter is out of the office this week. I asked Kim to forward me the FOIA re: Rosemont and can provide the formal response.

I will copy you.
